a) **Collect for the Leprosy Sunday on 8 February**

Almighty Father, the giver of life and health, look mercifully on those who suffer from leprosy. Heal them and grant wisdom to those who are seeking the prevention and cure of the disease; give skill and sympathy to those who minister to the patients; and inspire your people with the task set before *The Leprosy Mission*, that it may never lack the staff and the means to carry on its healing work, in accordance with your will, and to the glory of your Holy Name. We ask this in the name of Jesus Christ, your Son, our Lord. **Amen**

b) **Collect for the Reformation Sunday on 25 October**

God, from whom all wisdom and knowledge comes, we thank you for your servants, Martin Luther, John Calvin, Ulrich Zwingli, Thomas Cranmer, John Knox and all other reformers who you raised to bear the truth of your salvation and for the good for your Church, through Jesus Christ our Lord who lives and reigns with you and the Holy Spirit, One God now and forever. **Amen**

c) **Collect for the Communion of Churches in India on 8 November**

O God of unchangeable power and eternal light, look favorably upon your whole Church, that wonderful and sacred mystery; and by the tranquil operation of your perpetual providence carry out the work of our salvation through the unity of the *Communion of Churches in India*, that those who were cast down may be raised up and all people may live with dignity, freedom and worth, through Jesus Christ our Lord who lives and reigns with you and the Holy Spirit, One God now and forever. **Amen**

## **Appendix - III**

### **Collects for the Year 2026**

A Collect is a form of prayer that has been used in Christian worship for many centuries. Many Collects contain a profound Gospel meaning in a simple form which can enrich both private devotion and public prayer.

In almost every Collect there are four parts:

- a) the address to God the Father;
- b) a reference to some aspect of God's nature or work in creation or redemption, to which we appeal;
- c) a short, simple and definite prayer, which follows from this;
- d) the offering of the prayer to the Father through his Son and in the Holy Spirit, which is also an act of praise to the Holy Trinity.

Collects are prayers that express, in simple and meaningful language, insights drawn from the Christian faith, from which prayer flows naturally. They serve as helpful models for both public worship and private devotion. One possible meaning of the word *Collect* is that it "gathers" the prayers of the people into a concise petition that all can affirm together. Historically, a Collect was used to summarize a series of petitions in a litany, and it may still serve this function today - concluding a time of free prayer or drawing together the themes of a larger prayer section.

The Collects for worship have already been published in the *Book of Worship* of the Church of North India by ISPCK. However, the Collects provided here have been newly composed in accordance with the revised lectionary for the year 2026. Churches have the freedom to use these Collects or any others as may best suit their context and worship setting.
